DETAILED ACTION

1. This action is in response to applicant's amendment filed on August 15, 2005. **Claim 47** is now pending in the present application.

Information Disclosure Statement

2. The information disclosure statement submitted on August 15, 2005 was received. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly the information disclosure statement is being considered by the examiner.

REASONS FOR ALLOWANCE

3. The following is an examiner's statement of reasons for allowance: the application is allowable for the reasons set forth on pages 18-20 of the Applicant's response filed on December 13, 2004 and for the reasons set forth on page 3 of the Applicant's response filed on August 15, 2005.

Regarding claim 47, As noted therein, the claimed invention requires *inter alia* a method for saving both directory numbers and visual projection information for each of the directory numbers; comparing the directory number and if there is a match projecting the saved information onto a projection surface and if there is not match then projecting the caller identification information onto a projection surface, whereas the closest prior art Schnarel et al. in view of Gwmizer only teach projecting caller ID onto a projection surface and do not teach or suggest of saving visual projection information for each of the directory numbers; comparing the directory number and if there is a match projecting the saved information onto a projection surface and if there is not match then projecting the caller identification information onto a projection surface.
